Naloxone Statewide Standing Order

Through a standing order issued by the Mississippi State Health Officer Dr. Mary Currier, pharmacists are now permitted to dispense by request the narcotic blocker naloxone. A prescription from a doctor or other medical practitioner is not required.

We urge you to read the Joint Press Release issued today:

Please follow these simple steps from Cheri Atwood, Mississippi Board of Pharmacy's Director of Compliance, to dispense:

1. Maintain proof of completion of Board approved training program.
2. Maintain a copy of the standing order.
3. Reduce the standing order to a prescription (prescriber is the physician that issued the standing order/Dr. Mary Currier issued the Statewide Standing Order) - fill and file the prescription as a legend drug.
4. Provide proper counseling on the use of the medication.
