

Resumption of Pharmacy Retroactive Claim Adjustments Remains Paused

The Department of Health Care Services (DHCS) **will not** resume retroactive pharmacy claim adjustments beginning with the February 11, 2021, checkwrite date. Resumption of retroactive pharmacy claim adjustments due to a change in the reimbursement methodology for covered outpatient drugs will continue to be paused until further notice. This pause will apply to all pharmacy claims billed through the Medi-Cal fee-for-service fiscal intermediary and includes those claims that were also subject to an alternative payment plan.
