New Payment Requirements for Licensure

July 1, 2021

The Oklahoma State Board of Pharmacy (OSBP) is transitioning to a system where all new licenses and license renewals must be paid for through our online store on the OSBP website.

Beginning July 1, 2021 the OSBP will only accept credit card payments (Mastercard or Visa) or Electronic Fund Transfers (EFT).

Be sure to attach a copy of your online payment receipt with your application for faster processing.

The OSBP will no longer accept cash, check or money order payments in the office or via mail.

The online store is on the OSBP website under the "Online Services/License Lookup" tab.

Below is a link that you can copy and paste into your browser to help locate the online store.

Note: All foreign country registrants please contact the OSBP office for information on how to arrange for new license and license renewal payments.
