Naloxone Copay Assistance Program

Effective October 1, 2021, PACE is implementing a new Naloxone Copay Assistance Program to assist with the reimbursement of naloxone. This initiative is being implemented with the support of the Governor's Opioid Command Center and the Department of Drug and Alcohol Programs.

- Any PACE provider may submit claims to the new Naloxone Copay Assistance Program.
- A claim for any available naloxone product may be submitted to the Naloxone Copay Assistance Program.
- A claim for any patient may be submitted to the Naloxone Copay Assistance Program, provided other primary coverage is providing payment on the claim.
- The Naloxone Copay Assistance Program will pay up to \$75 on each claim.
- Any remaining payment will be the patient's responsibility.

Additional program details will be provided in the next 2 weeks.

Questions may be directed to Provider Services at 1-800-835-4080.
