**REGULATIONS UPDATE**

Review 172 NAC 134

Jesse Cushman, Program manager, explained the changes since the Board reviewed the draft regulations on July 26, 2021. Mr. Cushman explained that he worked with Borchert and Becky Wisell on the language provided in this updated draft. Mr. Cushman explained that delegated dispensing permits are not considered a pharmacy and cannot accept returns of dispensed medications. Dunbar questioned what a delegating pharmacist was. It was determined that the language regarding delegating pharmacist or consulting pharmacist would be changed to be consistent with statutory language and made to be singular. Dunbar also noted that there is a typo under section 007 for the word permits. Borchert moved, seconded by Tomlinson, to approve the draft regulations as amended. Voting aye: Beck, Borchert, Dunbar, Larimer, and Tomlinson. Voting nay: none. Motion carried.

Mr. Cushman will keep the Board updated on the progress of the regulations.

**ADJOURNMENT**

The Board adjourned the meeting at 2:48 p.m.

Respectfully submitted,

(signature on file with the Department)

Charles Tomlinson, R.P., Secretary
