

NACDS and the California Retailers Association worked with Magellan and the Department of Health Care Services (DHCS) to schedule a webinar for chain pharmacies to hear first hand from these entities about the important elements related to implementation of Medi-Cal Rx (start date of January 1, 2022). The webinar will be held on Wednesday, October 13 at 5:00 p.m. EDT, 4:00 p.m. CDT, 3:00 p.m. MDT and 2:00 p.m. PDT; see details below to participate in the webinar.

During the webinar, Magellan and DHCS will share information about portal registration, interacting with the new system and other key items. Please be prepared to ask questions. If your company would like to schedule its own training after October 13, please contact NACDS' Sandra Guckian at 703-774-4801 or sguckian@nacds.org, and we will connect you directly to Magellan and DHCS to schedule the training.
