## Oregon Board of Pharmacy Fiscal Impact Request for Pharmacy Prescription Lockers (PPL)

### **Interested Parties:**

The Board is seeking stakeholder input on the estimated fiscal impact (costs minus savings) associated with implementation, operation and ongoing compliance related to proposed requirements for Pharmacy Prescription Lockers (PPL). We understand that some information you may want to provide could be proprietary; therefore, please note that any information provided becomes a public record.

Fiscal information on any portion of the request below is welcome. Please reply to [pharmacy.rulemaking@bop.oregon.gov](mailto:pharmacy.rulemaking@bop.oregon.gov) by February 8, 2022.

### **Please provide an estimate of fiscal impact associated with compliance, implementation and operation related to:**

- Purchasing or leasing a PPL
- Ensuring the PPL is securely fastened to a permanent structure so that it cannot be removed;

- Utilizing a surveillance system that has continuously accessible and recorded video between the PPL Affiliated Pharmacy and the PPL. The system must provide a clear view of the entire PPL including its access points.
- Providing a toll-free telephone number that a patient, patient's agent or prescriber may use to contact the Oregon licensed Pharmacist from the PPL Affiliated Pharmacy.
- Utilizing a shared computer system between the PPL Affiliated Pharmacy and PPL that has appropriate technology or interface to allow access to information required to dispense a prescription, non-prescription drugs, and supplies and counsel the patient or patient's agent;
- Utilizing barcode, radio-frequency identification or quick response code technology for stocking, destocking and dispensing at the PPL;
- Utilizing an electronic entry system that is controlled by an Oregon licensed Pharmacist that records the:
  - Identification of the Oregon licensed Pharmacist authorizing access and securing the PPL;
  - Identification of the Pharmacist, Intern, Certified Oregon Pharmacy Technician or Pharmacy Technician accessing and securing the PPL; and
  - Date and time of each activity;
- Utilizing an alarm system with an audible alarm at the PPL and real-time notification to an Oregon licensed Pharmacist of the PPL Affiliated Pharmacy if unauthorized access occurs;

Thanks,

Rulemaking Staff
