Subject: [Humulin N and Novolin N Vials PDL Status Change](#)

Status: Please be advised, effective **July 1, 2024** the Department of Medicaid Services (DMS) will be moving Humulin N and Novolin N **vials** to preferred status in the *Insulin and Related Agents* PDL drug class. This change **will not apply** to Humulin N and Novolin N pens, as these agents will remain in non-preferred status within the PDL drug class and require prior authorization review for coverage consideration.

Providers are encouraged to reference the Preferred Drug List and Prior Authorization documents found on the Kentucky Medicaid Provider Portal (<https://kyportal.medimpact.com/provider-documents/drug-information>).
