

UPDATED State Fiscal Year-End Claims Submission and Provider Payments

The Ohio Department of Medicaid anticipates issuing final provider payments for SFY 2026 on Thursday, June 25. Medicaid provider claims not processed before 12 p.m., Friday, June 19, will be held for processing until the state's accounting system, also known as the Ohio Administrative Knowledge System (OAKS), is reactivated for state fiscal year (SFY) 2027 (beginning July 1).

Ohio Medicaid anticipates issuing the first payment of SFY 2027 to providers on July 7 or July 8. Please note, due to fiscal year-end processing and the reactivation of OAKS, coupled with the July 4th holiday, the first payment of SFY 2027 may not be made as anticipated.
